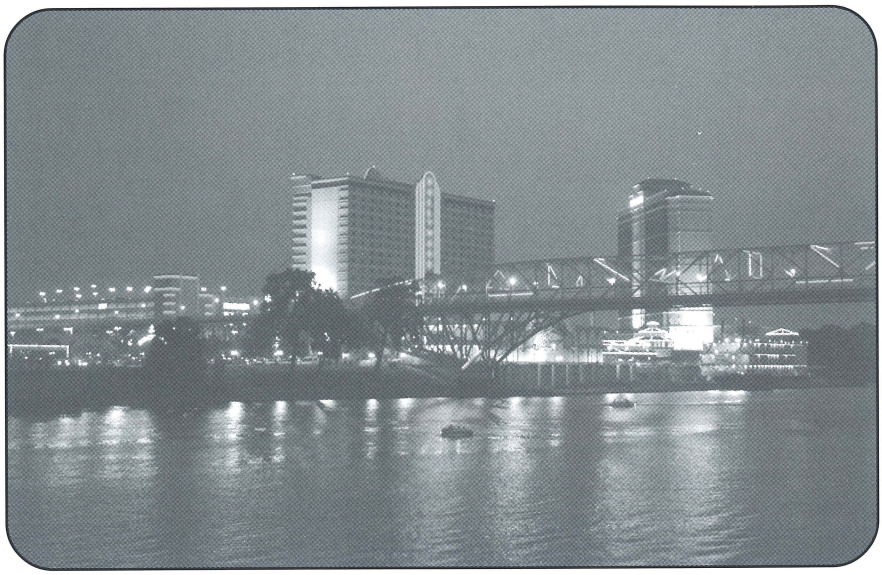
The Shreveport-Bossier Community

Centenary College is located two miles from downtown Shreveport, the third largest city in the state of Louisiana. Shreveport is located on the west bank of the Red River in Northwest Louisiana. Almost 400,000 people reside in the metropolitan Shreveport-Bossier area.

Shreveport is considered the geographical, cultural, and economic center of the region known as the Ark-La-Tex, encompassing East Texas, Northern Louisiana, and Southern Arkansas. Shreveport is only a few hours away by car from other major cities such as Dallas and Houston in Texas, Baton Rouge and New Orleans in Louisiana, Jackson, Mississippi, and Little Rock, Arkansas.



Downtown Shreveport behind the Texas Street Bridge and the Red River.

Shreveport is separated from Bossier City by the Red River, but many locals consider themselves residents of the Shreveport-Bossier region as a whole instead of one of the specific cities. People who live here think nothing of crossing the river to take in an event, no matter which city is the official host.

There seems to always be a festival going on that shines a spotlight on some aspect of life in Shreveport-Bossier that is unique. In May, the Mudbug Madness Festival celebrates the abundance of crawfish found in the area, while African-American culture is celebrated in June with the Let The Good Times Roll Festival, featuring music, art and food.

One of the major highlights of the year in Shreveport is the State Fair of Louisiana, held every October. The fair features more than 70 rides and one of the finest livestock gatherings in the United States.

Another major event that showcases Shreveport on a national level is the Independence Bowl, held in late December. The annual college football game, featuring a team from the Big 12 Conference against one from the Southeastern Conference, is carried on national television and showcases the Shreveport-Bossier community coming together to make the event a success.

The Independence Bowl is not the only athletic competition held in the area. The CenturyTel Center, a 12,000-seat arena opened in 2000, is the home of minor league hockey (Bossier-Shreveport Mudbugs) and arena football (Bossier-Shreveport Battlewings), as well as basketball games and wrestling events. National fishing tournaments and golf tournaments have also been brought to Shreveport-Bossier in recent years.

The area features a wide range of museums, from autos and aviation to science and Elvis Presley. Many of the buildings in downtown Shreveport are now listed on the National Register of Historic Places, and a trip to the piney woods of Northwest Louisiana will yield visits to rural towns such as Vivian, Plain Dealing and Shongaloo, each one with its own collection of treasures, history, and fine dining.

There are plenty of outdoor activities in the Shreveport-Bossier area. From hiking at the Cypress Black Bayou Recreational Area to golfing at Olde Oaks Golf Club, a Hal Sutton signature course and part of the Audubon Golf Trail.

Recently, Bossier City opened The Louisiana Boardwalk, a multi-million dollar project alongside the Red River that boasts a large collection of shops, restaurants, entertainment and nightlife. No matter what you are looking for, the Shreveport-Bossier area has plenty to offer for everyone.

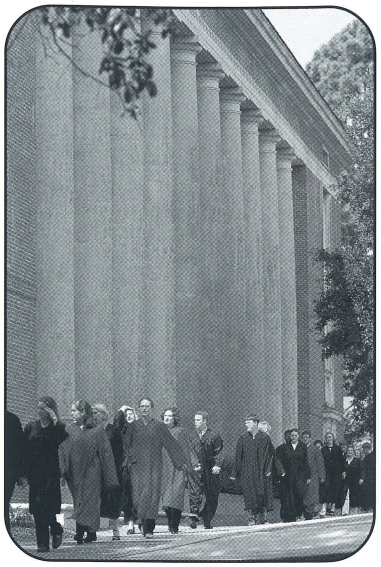
Centenary College of Louisiana is a selective liberal arts college offering undergraduate programs in the arts, humanities, natural sciences, and social sciences, as well as a limited number of graduate programs. Students and faculty work together to sustain a community focused on ethical and intellectual development, respect and concern for human and spiritual values, and the joy of creativity and discovery. Consistent with its affiliation with the United Methodist Church, the College encourages a lifelong dedication not only to learning but also to serving others.



In pursuit of these ideals, the College challenges its students to write and speak clearly; to read, listen, and think critically; to comprehend, interpret, and synthesize ideas; to analyze information qualitatively and quantitatively; to appreciate the diversity of human cultures; to respect the value of artistic expression; to realize the importance of a healthy mind and body; and to recognize the interdependence of people and the environment.

Location

Centenary's 65-acre campus is located two miles south of downtown Shreveport, Louisiana, and just across the Red River from Bossier City. The campus comprises 23 buildings, surrounded by manicured lawns, six gardens, and an academic arboretum, and is easily accessible within minutes from two major interstate highways. The Shreveport Regional Airport, a ten-minute drive from the campus, has regularly scheduled flights on several airlines. Intracity bus transportation is provided by the Sportran Transit System. (More information on Shreveport/Bossier can be found on page 4 of this media guide.)

Academic Program

Centenary College of Louisiana offers three undergraduate degree programs: the Bachelor of Arts, the Bachelor of Science and the Bachelor of Music.

The Centenary curriculum aims to produce graduates of extraordinary intellectual and vocational versatility who are prepared to assume responsible positions in their communities and professions. The College prepares its students in critical thinking and in the fundamental communication skills of writing, speaking and numeracy.

The core curriculum begins with the First-Year Experience, which initiates an emphasis on critical thinking and rhetorical skills in an interdisciplinary context. The balance of the core curriculum further develops these skills while it introduces students to basic areas and fundamental techniques of human inquiry. Specific core requirements are the First-Year Experience and selected courses offering inquiry in the humanities, mathematics, natural sciences, and social sciences. Additionally, all undergraduates participate in the Centenary Plan, which involves a service-learning project, career exploration, and an intercultural experience.

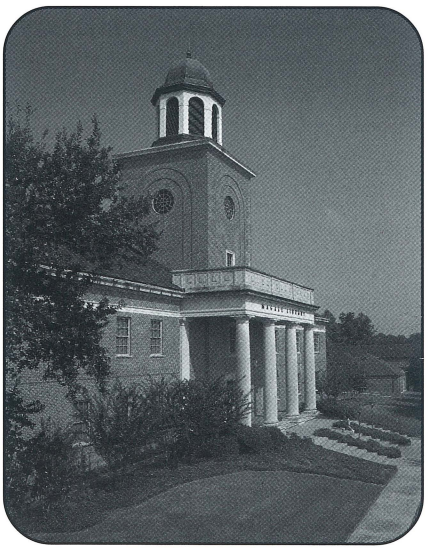
Academic Facilities

Centenary has a personal computer for one of every three undergraduates. Every residence hall room is wired for free, direct Internet and computer connections. Some 30 computer laboratories are spread throughout campus, as are numerous multimedia editing and projection facilities. The Magale Library, the academic heart of the campus, has a wealth of volumes, searchable databases, personal computers, multimedia accessories, and software programs.

Specially equipped buildings and facilities include the Marjorie Lyons Playhouse, the Gold Dome, the Fitness Center and Swimming Pool, Mickle Hall of Science, Hurley Music Building, Jackson Hall, Turner Art Center, and the Meadows Museum of Art.

Faculty

More than 90 percent of Centenary's faculty hold the highest degree in their disciplines. There are 74 full-time and 41 part-time faculty members, with a student-faculty ratio of 12 to 1. There are no graduate students teaching classes at Centenary. The primary emphasis is on teaching, although research and service activities are also important components of the Centenary experience. These activities involve undergraduates to an extent unavailable at large institutions.



Summary

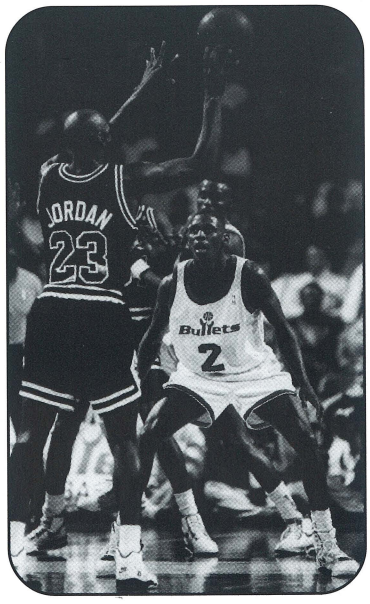
Academic and co-curricular programs support students in their development and encourage them to become leaders in the work place, the community, the nation, and the world at large.

Centenary College of Louisiana has fielded an athletic team in at least one sport since 1894, when the football team faced Louisiana State University. Centenary's football squad was one of the best in the South in the first half of the 20th century, the high point being an undefeated 10-0 season in 1927.

Centenary produced professionals Conway Baker, Buddy Parker, and Cal Hubbard. Hubbard is a member of three halls of fame: Pro Football Hall of Fame, College Football Hall of Fame, and Baseball Hall of Fame. However, the poor oil economy in the area forced the discontinuation of the football program in 1947.

The 1920s saw the establishment of the men's basketball and baseball teams at Centenary. The basketball Gents have had 45 seasons with a .500 or better winning percentage, including the 2003-2004 campaign.

From 1972 to 1976, Robert Parish dominated Centenary's opponents, leading the Gents to an 87-21 record over that span. Parish still holds numerous Centenary records, including the single game scoring record (50 points vs. Lamar in 1972), the single season rebounding record (18.7 rpg in 1972-73), and the career record for most field goals made (1,034). Parish was drafted in the first round by the Golden State Warriors in 1976 and later, as part of arguably the greatest frontcourt in NBA history, won three NBA championships with the Boston Celtics in the 1980s. In September 2003, Parish was inducted into the National Basketball Hall of Fame.



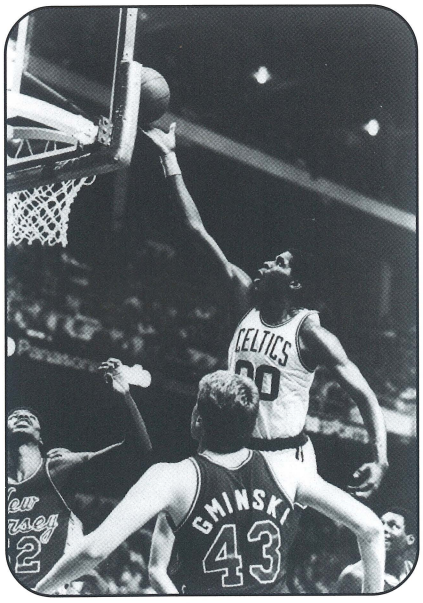
Larry Robinson '90

Another of the more well-known Gents to play in the NBA is Larry Robinson. Robinson played with eight teams during his lenghty NBA tenure and celebrated a world championship with the Houston Rockets in the mid-90's.

With a new 1,000-seat stadium, the baseball team is attracting top players to play for Centenary and top teams to play against the Gents. Thirty-two players who put on the Centenary uniform have gone on to play professionally. In recent years, the Gents have hosted Nebraska, Texas A&M, and LSU in Shreveport.

In 1980 the Golf Magazine College Player of the Year did not come from a traditional power. Hal Sutton, a native of Shreveport who stayed home to attend Centenary, won that honor as well as the 1980 U.S. Amateur. Sutton has gone on to win two Players Championships, a PGA Championship, and a Tour Championship, as well as earn a spot on four U.S. Ryder Cup teams. In 2004, Sutton served as the Ryder Cup captain for the United States squad.

Recently Centenary athletes have found their names at or near the top of the NCAA rankings. In 2000, women's soccer player Lara Brown led all Division I players in points per game and goals per game. Ronnie McCollum followed suit during the 2000-2001 basketball season, leading the nation in scoring. Andrew Wisniewski picked up where McCollum left off, finishing in the top 20 in scoring and steals during the 2002-2003 season.



Robert Parish '76

With the addition of men's and women's swimming in 2002-2003, Centenary now sponsors 16 intercollegiate sports, as many as any other Division I program in Northern Louisiana. Recent athletics highlights include the gymnastics team winning the 2004 USAG National Championship and the softball Ladies earning a trip to the NCAA Tournament in both the 2004 and 2005 seasons. In addition, the women's soccer team has qualified for the Mid-Con Tournament in two of the three seasons since joining the league in 2003.

The history of the Centenary athletics nickname "Gentlemen" is quite unique. First established in the fall of 1921 by then-Centenary President George Sexton, it seems the football team had been in a fight the previous game, and Sexton sat the team down before the next game and told the players, "...from now on, you will all act like Gentlemen."

With the majority of Centenary men also soldiers, the moniker "Gentlemen" or "Gents" was a logical choice. A tongue-in-cheek account that first mentioned the new nickname appeared in the 1923 Yoncopin (Centenary's yearbook) in the football summary.

The nickname has stuck ever since and it was natural to call the women's teams the "Ladies" when the school began women's sports in the 1960's.

DR. KENNETH L. SCHWAB
President

Dr. Kenneth L. Schwab, President of Centenary College since 1991, has been firmly established as an excellent educator and administrator over nearly 30 years of service. During his career, Dr. Schwab has consistently applauded student-athletes who pursue academics and sports with equal fervor, discipline, and high standards, and it is these characteristics that make Centenary Gents and Ladies stand out among their peers.

A tenured professor in the Department of Education, Dr. Schwab hails originally from Indiana where he received his bachelor's degree from Purdue University in 1969. He then earned his master's in guidance and counseling from the University of North Carolina-Greensboro in 1972 and his doctorate in higher education administration at Indiana University in 1978.

Though Dr. Schwab has held many administrative positions at Centenary and other institutions, he continues to pursue his own scholarship as well, publishing a book, numerous articles, and several institutional planning documents regarding presidential leadership and transformational change. Indeed, Dr. Schwab's keen interest in leadership and strategic planning helped Centenary's latest comprehensive campaign raise over $100 million for the college. This amount exceeded the initial goal by over $30 million, enabling Centenary to build two new music facilities as well as renovate residence halls and the fitness center.

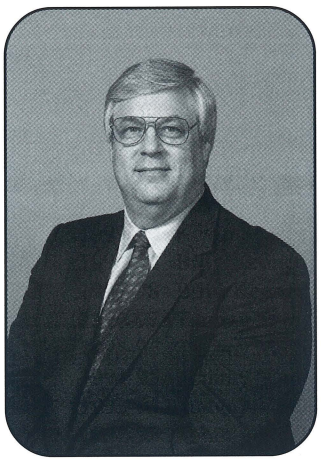
These improvements do not merely benefit the campus, though. From the arboretum to the chapel, the playhouse to the library, recital halls to the Gold Dome, Centenary encourages student involvement, preparing scholars for active civic participation. This small liberal arts institution focuses on the student and endeavors to facilitate academic, athletic, and social development for the whole person. Our faculty and staff are committed to these goals, particularly for student-athletes.

Dr. Schwab has actively involved himself with Centenary students throughout his tenure here. He team-taught Centenary's First-Year Experience program with the college's Chair of Liberal Arts one semester, and he travels with various Centenary groups like the college choir, always remaining a great Gents and Ladies supporter. In fact, he and the Centenary Gent mascot led the campus as they unveiled the new fitness center.

Active on-campus and off, Dr. Schwab participated in the Salzburg Seminar sponsored by the W.K. Kellogg Foundation, served as a European Community Visitor to the Commission of European Communities, and continued his scholarly work at Oxford, Johns Hopkins, and Harvard Universities. He also represents Centenary on a number of community and academic boards, including the Associated Colleges of the South Board of Directors.

Dr. Schwab's wife, Pat, earned her doctorate in education and now teaches a course each semester at Centenary. Their three sons (Kempten, Carlton, and Christopher) played select soccer throughout their school years.

Centenary President Dr. Kenneth Schwab cheers along with the students in the stands at the Gold Dome.



TAYLOR MOORE
Director of Athletics

Taylor Moore, a Centenary alum and former owner of the Shreveport Captains baseball team, became the College's athletic director on July 1, 2003. Moore replaced Dr. David Bedard, who decided to return to the classroom as a professor of health and exercise science after serving as athletic director for almost four years.

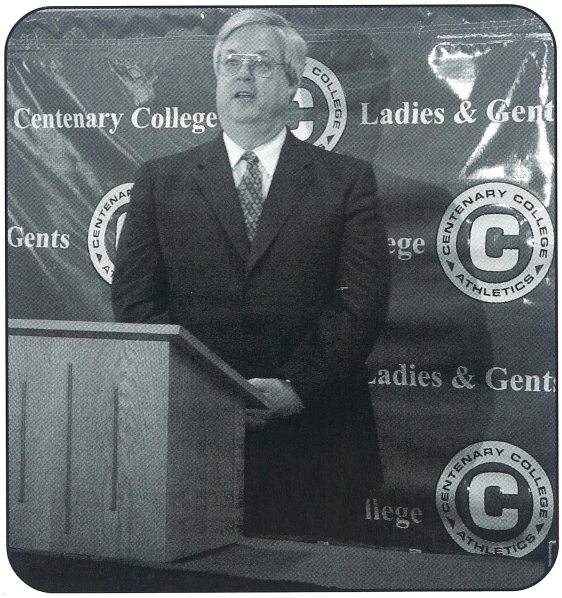
A 1969 Centenary graduate and former Centenary baseball coach, Moore was president and majority owner of Shreveport Baseball, Inc., which operated the Shreveport Captains Baseball Club, until he sold the franchise in 2000. The Captains were a Double-A professional baseball club affiliated with the San Francisco Giants.

Moore has stayed active within the Centenary community, serving as a board member and former president of the Centenary Gents Club. In 2001, he received the Centenary Alumni Association's highest honor when he was named to the Alumni Hall of Fame.

Moore took over an athletics division that began play in the Mid-Continent Conference in the fall of 2003 after four years of playing as an independent school unaffiliated with a conference. His experience and leadership will ensure that the Centenary athletics program will continue to grow and compete in its new home.

"Centenary has an exciting future ahead in athletics and I am pleased and honored to be able to have a part in it," Moore said. "I've been a member of the Centenary family for so long, I felt like I was coming home when I accepted this position. I have great respect for the College and its role in Division I competition."

Since becoming director of athletics, Moore has improved several facets of the overall program. He has led the charge in reinventing the booster club and has transformed it into the healthy organization it is today, known as the C Club. Under his guidance, renovations to the Mayo Soccer Complex have taken place and other facilities improvements are under way. In addition, supplemental staff such as assistant coaches and a director of marketing and promotions position have been created.



Director of Athletics Taylor Moore speaks in the Wilhite Media Room at a press conference.

Moore has been recognized with the Texas League Award of Merit for 25 years of leadership, the Shreveport-Bossier Advertising Federation's Award of Excellence, the Sports Foundation Sportsman of the Year Award and the *Shreveport Journal* Sportsman of the Year designation.

Long active in local civic affairs, Moore is a board member of the Frost Foundation and the Committee of One Hundred. Before taking over as athletic director, he served as secretary and member of the Executive Committee of the Centenary Board of Trustees.

Moore knows the Centenary athletics department very well, having served as the head baseball coach for the Gents during the 1974 and 1975 seasons.

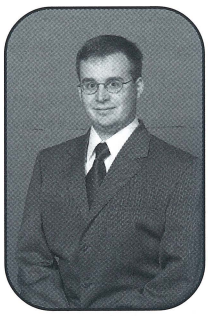
Head Athletic Trainer
Alan Edwards



Athletic Trainer
Dustin Bradstreet

Alan Edwards is in his 11th year as head athletic trainer for the Centenary athletic program. Edwards is a 1991 graduate of McNeese State University with a bachelor of science in health and physical education. He earned his master's degree in exercise science at Northeast Louisiana University in 1993. Edwards' services are provided through a partnership between Centenary College and Christus Schumpert Health System.

Dustin Bradstreet enters his third year as an athletic trainer at Centenary having moved to Shreveport from Wichita, Kansas. Bradstreet is a 2001 graduate of Fort Hays State University where he received a bachelor of science degree in physical education with a focus in athletic training. He continued his education at Fort Hays and graduated in 2003 with a masters degree in Health and Human Performance with emphases in exercise science and sports administration. He is certified with the National Athletic Trainer's Association Board of Certification and has been in good standing since 2001.

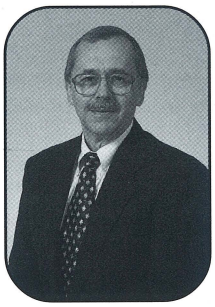
Edwards and Bradstreet also supervise student and volunteer assistants as they gain valuable experience in their pursuit of becoming Certified Athletic Trainers. Student and volunteer assistants obtain practical experience at home and on the road, working with the Gents and Ladies athletic teams.

The Centenary College sports medicine facility is located on the bottom floor of the Gold Dome, where continued improvements have resulted in an enhanced facility.

The improvements include an upgraded computer system with injury tracking software, the addition of two stationary bicycles, and an increased storage capacity for the daily supplies used in treatments of student-athletes.

The training room is equipped with modalities to assist athletic trainers in the treatment of injuries of Centenary athletes. The room also contains training tables, an ice machine, and a whirlpool.

Academic Support



Director of Academic Support
Glenn Evans

Centenary College is committed to each student-athlete as a total person. While the student-athlete at Centenary is given an opportunity to attain athletic goals, the objective is to assure the academic success of student-athletes in the classroom as well.

Under the direction of Glenn Evans, a former Centenary student himself, the Academic Support division of the Ladies and Gents athletic department works closely with student-athletes from all 16 sports on a daily basis.

In order for students to compensate for the hours necessary to prepare for competition, a rigorous academic discipline has been established to help achieve their potential. Centenary's study hall program and tutoring sessions have proven an invaluable asset to the Ladies and Gents over the years.

As the Director of Academic Support, Evans communicates with the Centenary faculty to assess the academic progress and needs of our student-athletes. Those individuals deemed to be at-risk academically are recommended for participation in one of our academic assistance programs. Counselors also assist student-athletes with meeting the requirements of graduation.

A former coach, Evans was the pioneer of Centenary's soccer program, but stepped down eight years ago as head coach of the Gents' and Ladies' soccer program. He is now focusing his attention on directing the Academic Support program for Centenary in addition to serving as the assistant women's soccer coach.

The Herkimer, New York native earned a B.S. in health and physical education from Centenary in 1969. He received a master's degree in education from the University of Georgia in 1970. He and his wife, Karen, have four sons: Chad, Scott, Trey, and Brian.

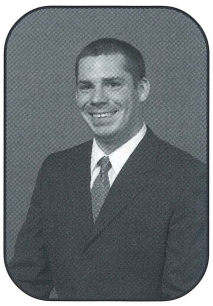
DAVID PRATT
Asst. A.D./Sports Information Director

David Pratt is now in his seventh year as a member of the Centenary sports information department. After serving two years as an assistant, he was promoted to Director of Sports Information in 2001 and to Assistant Athletic Director in 2003. He is the primary media contact for men's basketball, men's and women's cross country, gymnastics, softball, men's and women's tennis, and volleyball. Pratt oversees all athletic department media relations, publications, statistics, archives, and game management efforts.

Pratt is a 1999 graduate of Centenary, earning his bachelor of arts degree in history. He was the 1999 Defensive Player of the Year as a shortstop on the Gents baseball team and was also a member of the history honor fraternity Phi Alpha Theta. He is presently a member of the Louisiana Sports Writers Association (LSWA) and the College Sports Information Directors of America (CoSIDA). His wife Keeley is a 2001 Centenary graduate, an assistant in the Centenary financial aid office, and the sponsor of the Centenary Leading Ladies Dance Team.

Pratt has continued his association with baseball by serving as an instructor at the Centenary Summer Baseball Camps. He is also currently a board member of the Shreveport-Bossier Men's Senior Baseball League.

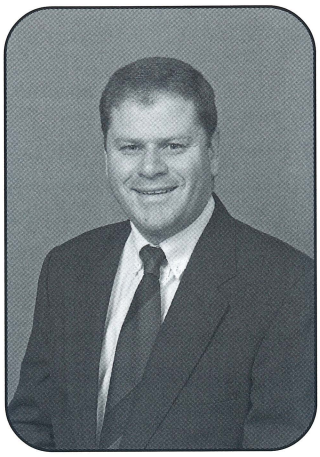


JEFFREY MESSMAN
Assistant Sports Information Director

Jeff Messman is in his second year with the Centenary sports information department, his first as the Assistant Director. He is the primary media contact for men's and women's soccer, women's basketball, men's and women's golf, men's and women's swimming, and baseball. Messman also serves as the live statistician for all home soccer, basketball, and volley ball contests.

A Washington, D.C. native, Messman attended Pennsylvania State University before graduating from Marymount (Va.) University in 2003 with a Bachelor of Arts in Communications. During his studies at Marymount, he interned with the Washington Freedom of the WUSA women's professional soccer league during their 2003 championship season. He has also worked as an on-air statistician for Comcast and PAX cable networks and for the U.S. Women's National Soccer Team. Also, Messman has served as the official scorekeeper for the Shreveport Sports, the independent minor league team of the Central Baseball League.

Messman is currently a member of the College Sports Information Directors of America (CoSIDA) and the Louisiana Sports Writers Association (LSWA).



DOUG GREENWALD
Radio Broadcaster

Doug Greenwald is back for his sixth season as the play-by-play voice of the Centenary Gents.

Greenwald is the director of broadcasting for the Fresno Grizzlies of the Pacific Coast League, the Triple-A affiliate of the 2002 National League champion San Francisco Giants. Greenwald has been a minor league baseball announcer for nine years, working in the California League, the Texas League, the Western League, the Hawaii Winter League, the Midwest League, and the Texas-Louisiana League

This season all Centenary Gents basketball games will broadcast locally in the Shreveport area on KOKA 980 AM. Most games can also be heard over the internet on Sportsjuice.com. For up-to-date info regarding Gents basketball, visit our website at www.GoCentenary.com.

The Leading Ladies

KEELEY PRATT
Danceline Sponsor

Keeley Pratt once again leads Centenary's performance group during the 2005-06 basketball season. Pratt is the sponsor of the Leading Ladies danceline after serving as a captain and member of the group for two years until graduating from Centenary in 2001. The Leading Ladies perform at all home basketball games and travel to the Mid-Continent Conference Tournament in March every year.

Pratt has worked hard to improve both the enjoyment shared by the crowd through quality halftime performances and the enjoyment of Leading Ladies members themselves through various team-building projects. For example, for the past two summers the squad has taken part in a summer camp provided by Dallas-area choreographer Kendra Kelley. The Ladies learned several new routines to be unveiled this season and received valuable instruc tion on technique.

As sponsor, Pratt hopes to continue the long-standing tradition that is the Centenary Danceline by getting alumni more involved. By sharing their knowledge and experience with current members, she seeks to bring the Leading Ladies family together to ensure its future success.

The danceline is well appreciated by the basketball teams and the student body for the hours and hard work put into training in order to provide an exceptional atmosphere in the Gold Dome during games. The Leading Ladies truly represent what a spirit group is all about as the members receive no scholarships for their time and effort. They simply enjoy performing and cheering for the school they love, Centenary College.

Centenary President Kenneth Schwab, head coach Rob Flaska and the rest of the basketball staff pose with a group of campers from a session of the Gents Basketball Camp.

The Rob Flaska Centenary Gents Basketball Camps are a good way for kids ages 5 to 18 to work on and improve their basketball skills. Centenary coaches, players, and former players all do their part in order to provide a positive learning atmosphere for everybody involved.

Coach Flaska is excited about holding his upcoming camps in the summer of 2006 after a successful debut camp in 2005.

"Our camp went very well in its first year here at Centenary," said Flaska. "I am looking forward to developing our camps into being a part of the college and its annual summer activities.

The Centenary Gents Basketball Camps stress the importance of team work while developing individual skills. Areas of focus include shooting, passing, rebounding, defending, footwork, cutting, screening, and ball handling.

The summer camps also provide the opportunity for entire teams to participate together and receive top level instruction through Team Camp. Campers can also choose the overnight camp which allows participants to enjoy a full day of camp activities and then remain on campus for further fun. Those interested will sleep in the Centenary dorms with a roommate and eat all meals in the cafeteria.

The Centenary Camps have been well attended over the years and no matter what age you are there is a camp that is right for you.

In The Community

One of the most unique aspects of the Centenary Gents basketball team is the commitment of the players and coaches to the Shreveport-Bossier community.

One way that the Gents are able to show that commitment is with the community service programs that the coaches have implemented for the players to take part in.

The Gents get into the community through their holiday community service projects, mainly over the Thanksgiving break. Because the players are still actively involved in the season during this time, they spend their holiday season helping others. Whether it is serving food at a homeless shelter or just spending time with people who are less fortunate than they are, the Gents enjoy their time in the community.

Recently, the men's basketball team helped in the hurricane relief efforts in the Shreveport-Bossier area. The Gents also took part in the Race for the Cure benefitting cancer patients and they continue to make regular visits to the Children's Hospital

"It is very rewarding for us as a team and as a coaching staff to be active in our community," said Flaska. "It makes us appreciative of what we have and aware of how much we can help others."

ROB FLASKA
Head Coach

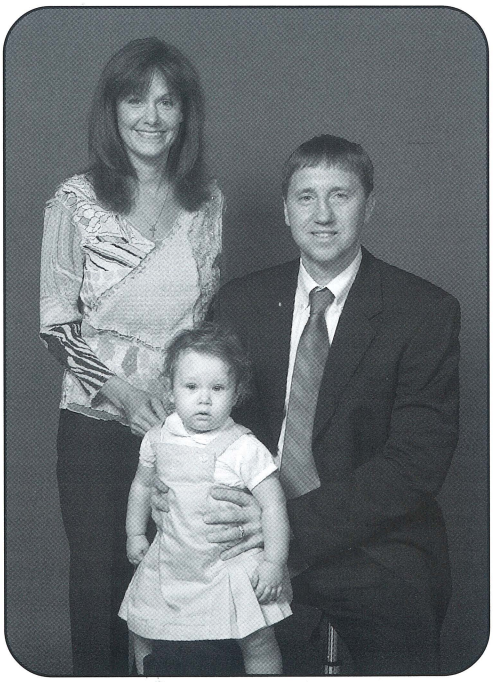
Rob Flaska enters his first season as head coach of the Gents after being named to the position on March 31, 2005. He brings a wealth of experience to the Centenary men's basketball program.

Prior to coming to Centenary, he spent three seasons as an assistant at Arkansas. His coaching experience includes eight years as a highly successful college head coach at two schools and 11 years as a Division I assistant coach with a recent stop at TCU from 1999 to 2002. Flaska, who served as Arkansas' recruiting coordinator from April 2002 to March of 2005, has been listed by *Basketball Times* and *Hoop Scoop* magazine as one of the top assistant coaches in college basketball.

At TCU, he worked under Billy Tubbs, helping lead the Horned Frogs to four of the 10 winning seasons in the school's history with records of 21-11 in 1999, 18-14 in 2000, 20-10 in 2001 and 16-14 in 2002. TCU finished first or second in the nation in team scoring average each of his four seasons in Forth Worth. Flaska was responsible for recruiting and signing Corey Santee, now the TCU all-time assist leader and second leading scorer in school history.

Flaska helped put together recruiting classes at TCU which were ranked four straight years as the best in the Western Athletic Conference (WAC) by all major recruiting rating services and magazines, including *Basketball Times*, *Basketball News*, *Street and Smith's*, *The Sporting News* and *Dick Vitale's*. The 1998 class was voted as high as 12th-best, the '99 class 13th-best and the '01 class 34th-best in the nation.

As a head coach, Flaska compiled a 64-31 record over three seasons (1996-98) at Florida Community College in Jacksonville, Fla. (FCCJ). He was also the head coach at Mott Community College in Flint, Mich., for five seasons (1986-91), posting a record of 121-44. At FCCJ, his team earned top 20 national rankings and reached the Region XII finals in 1997. At Mott, his teams won the Michigan Eastern Conference Championships in '89, '90 and '91, the state title in 1990, and a Region XII championship with a national finalist finish in 1991. He was voted conference coach of the year in '89, '90 and '91, state coach of the year in 1990 and Region XII coach of the year in 1991.



The Flaska Family - Joni, Riley, and Rob

Flaska, who earned a master's in business administration (MBA) from Indiana State University in 1984, has had more than 50 players earn scholarships to four-year schools. At FCCJ, he signed the school's all-time leading scorer and only player ever to be named to the NJCCA All-America team. At Mott, 16 of his last 17 players graduated.

He also served as an assistant coach at Trinity Valley Community College (1992-95) for Hall of Fame Coach Leon Spencer, where he recruited five first-team All-Americans. Prior to Trinity, he served as an assistant coach and assistant athletic director at Texas-Pan American (1991-92), where he recruited Grey Guy, the 1993 NCAA Division I scoring champion.

Flaska prepped at Glen Lake High School in Maple City, Mich., under Hall of Fame Coach Don Miller and led his team to the 1977 state championship while earning all-state honors. He played at Michigan Tech, leading the team to its first four winning records in school history and setting school records for assists and steals along the way.

He began his coaching career as an assistant coach at Indiana State University (1982-84) and as an assistant at the University of Detroit (1985-86).

Flaska, who has a son Charlie (16), is married to Joni of Fort Worth and they have a girl, Riley Nicole, born July 4, 2004.

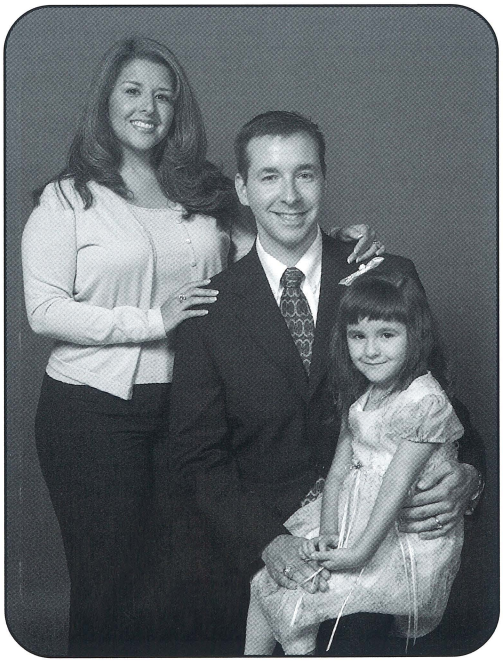
BRANDON CURRAN
Assistant Coach

Brandon Curran joined the men's basketball coaching staff at Centenary College after serving as the Head Basketball Coach and Athletic Director at Jacksonville College (NJCAA) in Jacksonville, Tex., for four seasons. Curran's teams compiled a combined 51–42 record over his first three seasons in Jacksonville, including a tie for second place in the very challenging Region 14 athletic conference in 2002–2003. His teams reached postseason play in each of those years, and made five consecutive postseason tournament appearances since he joined the program in 1998–1999 (the second longest string of consecutive tournament appearances in the Region). Curran coached and recruited 23 players that signed NCAA Division I scholarships during his tenure at Jacksonville College.

Prior to becoming the head coach at Jacksonville College, Curran served as the assistant men's basketball coach for Jacksonville from 1998 to 2001. Coach Curran's first recruiting class took a team that had won five games in 1998–99 to a 20–10 record the following year.

Curran began his coaching career at the University of Texas at Austin where he served as a student assistant under current University of Houston coach Tom Penders. That season, the Longhorn's earned a trip to the NCAA tournament and advanced to the "Sweet Sixteen". After graduating from Texas, he joined the Galveston Storm of the Southwest Professional Basketball League as an assistant coach for the 1997-1998 campaign.

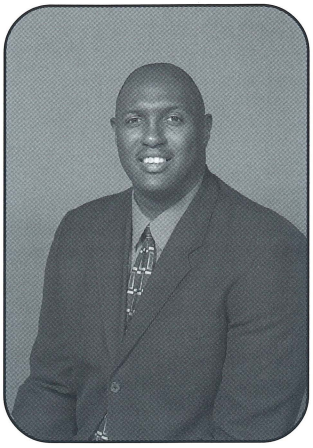
Curran serves as the recruiting coordinator at Centenary College. In addition to his recruiting duties, he is responsible for the development of Centenary's perimeter players, assisting with academic monitoring, on the floor coaching responsibilities, and scouting.



The Curran Family - Lisa, Emma, and Brandon

"Brandon has had coaching experience and brings a wealth of knowledge to our program," said head coach Rob Flaska. "He is a great strategist and is a tireless recruiter. He will help Centenary become a top-level program as a result of his abilities."

Curran played for Jacksonville College during the 1993-94 season where he helped the team advance to the Regional Championship game. He has a B.A. in Psychology from the University of Texas at Austin (1997). He and his wife Lisa have been married for seven years and they have a daughter named Emma.



MIKE SMITH
Assistant Coach

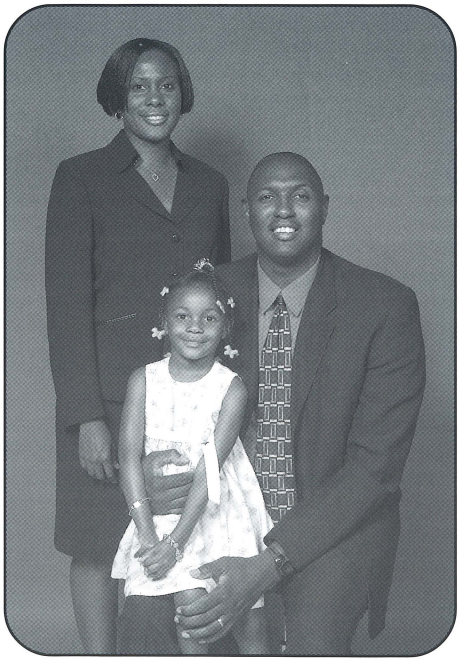
Matthew "Mike" Smith enters his second year as assistant coach for the Gents basketball team. His duties include coordination of schedules, academics, office administration, and the direction of the strength and conditioning program. Coach Smith will also be responsible for on-the-floor coaching with emphasis on development of the Centenary post players.

Smith came to Centenary from Southeastern Louisiana University where he served as an assistant under former Gents coach Billy Kennedy. Smith helped Southeastern to a 20-9 record and a regular season Southland Conference Championship in 2003-04. He also coached at Brebeuf Jesuit High School and Pearl River Community College where he was instrumental in developing All-State and All-League players at each stop.

"We are fortunate to have the caliber of coach in Mike Smith at Centenary," boasts head coach Rob Flaska. "Mike is an excellent on-the-floor coach, a good recruiter that has helped to bring in a top 60 recruiting class to Centenary, and a person who brings professionalism as well as a great work ethic to our staff."

During his collegiate career, Smith was a starter at the University of New Orleans. While at UNO, the Privateers averaged 21 wins per season and earned an American South Conference Championship in 1988. In 1987 he helped his team to a trip to the NCAA Tournament and participated in the National Invitational Tournament (NIT) in 1988.

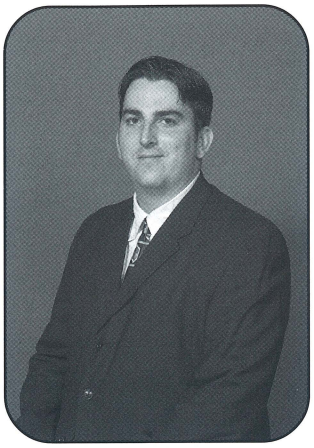
Smith played professionally for seven seasons in Europe, Asia, and the United States. He averaged over 20 points and 12 rebounds over his professional career.



The Smith Family - Desirree, Chanelle, and Mike

"I am very excited by the opportunity to help this coaching staff bring Centenary to great success," said Smith. "I believe Centenary deserves a return to the rich basketball success it once had. Coach Flaska has high expectations for the basketball program at Centenary, and I am committed to helping him make it happen."

Coach Smith is married to the former Desirree Harrell of Elmont, N.Y. The Smith's have a daughter named Chanelle.



JOEY TOLIS
Assistant Coach

Joey Tolis enters his first season as an assistant under new head coach Rob Flaska. Tolis' responsibilities include on-floor coaching, recruiting, fundraising, film exchange, scouting, game management, directing camps, player development, and other administrative duties.

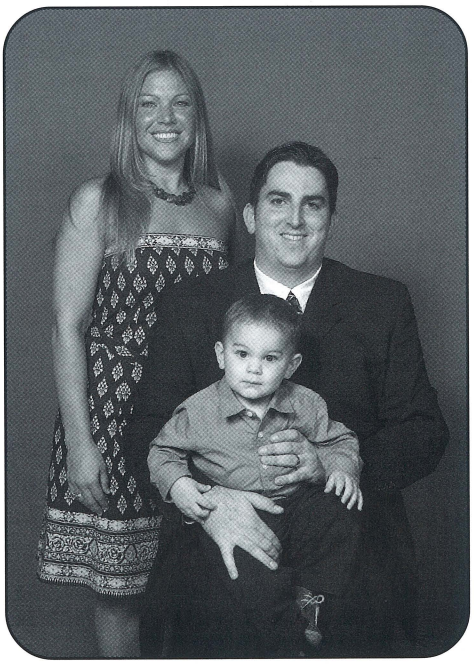
"Joey comes from a basketball family and is a jack of all trades," said head coach Rob Flaska. "He can recruit, coach, and handle administrative duties. Joey is extremely resourceful, has basketball genes, and will be a great coach."

Prior to Tolis' current stint at Centenary he served as assistant coach at LSU-Shreveport for the Pilots' inaugural two seasons. Helping to build the program from the ground up in 2003, Tolis' first recruiting class finished the 2003-04 season at 21-12 with a victory over each conference opponent. After being a new program to the NAIA, the Pilots first year in existence earned them a 2004-05 pre-season ranking in the NAIA top 30 in only its second season.

Tolis' 2004 recruiting class proved to increase the Pilots success. Among the signings in that class was 6'8" Derrick Hill, who led the nation in blocked shots and finished sixth in rebounding in 2004. Another player, 6'8" Anton Palmer of Schoolcraft Community College, who is now eligible for the 2005-06 season, was also in that recruiting class. The Pilots finished the 2004-05 season 27-9 and ranked seventh in the nation. They were Regular Season Conference Champs and also earned a National Tournament Sweet Sixteen Appearance. Both seasons Tolis helped coach 2004 first team All–America guard Frederico Payne, who led the nation in scoring for NAIA in 2004-05.

Prior to LSUS, Tolis was an assistant at Southwood High School for two seasons. In his first year at Southwood, he helped the Cowboys to a 29-7 record and a trip to the 5A State Championship game. The following season he helped the Cowboys improve to a record of 38-3 and a trip to the 5A State Quarterfinals.

Centenary College is what originally brought Tolis to Shreveport as he was hired as an assistant coach in August of 1999. While excited at the chance to coach on the Division I level, he also managed his time to earn his masters degree. While at Centenary, Tolis helped coach Ronnie McCollum, who led the NCAA in scoring for the 2000-01 season. He was a member of the Gents staff for two seasons before being placed at Southwood High School for his student teaching in order to complete his degree. Continuing to work for Centenary while at Southwood, he served as an assistant to the former Director of Athletics, Dr. David Bedard, where he was in charge of ticketing, among other administrative duties.

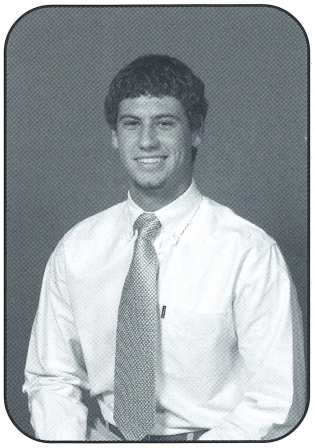


The Tolis Family - Jennifer, Kadin, and Joey

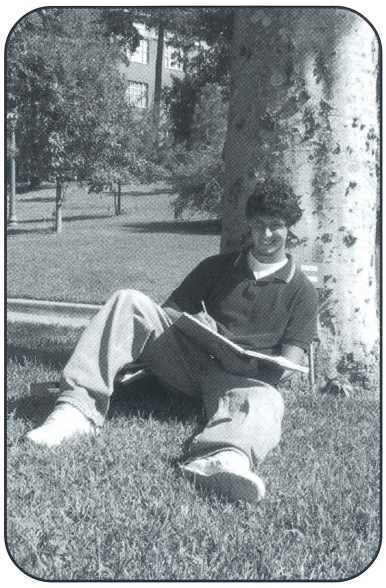
Before his time at Centenary, Tolis worked as a Student Assistant at NCAA-Division II Tarleton State University for head coach Lonn Reisman. He spent two successful seasons as Student Assistant for the Texans, while earning his bachelors degree in health and exercise science with a minor in computer programming.

As a player, Tolis signed a Nation Letter of Intent to play at Angelina Junior College in the spring of 1994. After his freshman season, Tolis began his coaching career at age 19, when he was hired as an assistant coach at Angelina under coach Guy Davis. During his two seasons at Angelina, one as a player and one as a coach, he earned an associate's degree in kinesiology.

Born on July 4, 1976 in Baton Rouge, he is the son of Arthur and Julie Tolis. Joey's father coached in the Division I ranks for 30+ years at schools such as UNO, Alabama, and LSU. Joey and his wife, Jennifer, have been married for over two years and currently have one son, Kadin Arthur, born May 20, 2004.



TRAVIS HILL
Student Manager



Travis Hill enters his first season as the student manager for the Gents.

In high school, Travis earned two letters in basketball for the Blue Raiders of L.D. Bell high school. He played guard for coach Randall Durant and helped his team to a 25-9 record as well as an Area Championship and a Regional State Quarter-finalist appearance. His team was once featured as the Chevy Team of the Week.

Born June 13, 1986 in Austin, Texas, Travis is the son of George and Marsha Hill. He has two younger brothers. He is a communications major with a minor in religious studies and hopes to build a career in sports broadcasting or as a film director/producer.

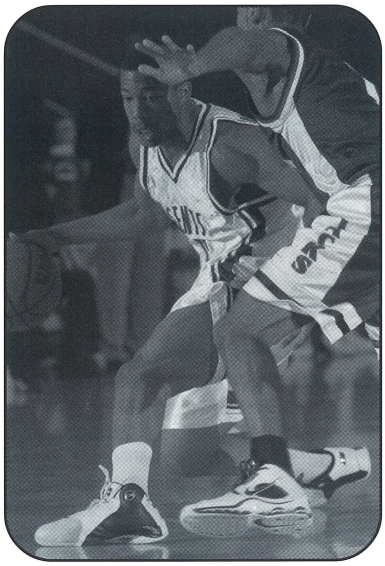
2005-06 Season Outlook

The 2005-06 Gents will be a team that will break the traditional mold of what most fans and followers have come to know from Centenary basketball in the Gold Dome. New head coach Rob Flaska brings an up-tempo, quick-paced style of play that is vastly different from the slow-down offense the Gents have featured in recent years.

This team will be deep and play alot of guys. This team will push the ball with plans of scoring a ton of points while running a motion game in order to create quick opportunities. This team will sport a half-court pressure defense, but make no mistake about it, the focus of this team will be to score points through its strong transition offense.

The run and gun Gents will make their highly anticipated debut at home on November 18th when Centenary hosts UT-Tyler at 7 p.m. The 2005-06 schedule overall is considered by many as one of the toughest in years. Non-conference road trips include UAB, Ole Miss, and SMU while highlighted home games offer Northwestern State, Houston, and Georgia Tech. The Yellow Jackets are annual visitors to the NCAA Tournament while the Cougars participated in the NIT last season. The Demons, local rivals of the Gents, are picked to win the Southland Conference and always provide a hard-fought battle.



Tyrone Hamilton

There are no breaks to be found inside league play this year as the Mid-Con is as good as ever from top to bottom. Flaska thinks that both Oral Roberts and Valparaiso could crack into the top 25 rankings before the end of the season.

"We want to play a top-notch schedule that our fans and community can get into," said Flaska. "Our schedule will get us prepared to play in conference at the highest level possible."

In addition to the new-look coaching staff and team philosophy, the 2005-06 Gents squad boasts a new-look roster as well. Centenary welcomes 10 newcomers to the maroon and white uniforms with only three players returning off of last year's team. Senior Ian Maxwell and sophomores Tyrone Hamilton and Clarke Jackson provide the only Division I playing experience to a team comprised of six transfers and four freshmen.

Hamilton (Shreveport, La.) provides Flaska with a centerpoint from which to build the team around. As a freshman in 2004-05, the point guard finished second on the team with 12.5 ppg to go with 3.9 apg. He led the Gents with 50 three-pointers and shot over 40% from downtown. His strong play was recognized by the coaches and media alike as he was named to the All-Mid-Con Newcomer Team.

"Tyrone is the best scorer on our team," said Flaska. "He is a guy you can go to at crunch time for the key basket and is one of the best returning players in the conference."

Maxwell (Claremont, Calif.) and Jackson (Shreveport, La.) are valuable assets to the Gents as role players.

"Ian does all the little things it takes to win a game for you while Clarke will come off the bench to help in our transition game and outside shooting," said Flaska.

Newcomers that look to see a lot of playing time include Xavier Burnette, Eric Holmes, Alexander Starr, Larry Logan, and Chris Watson.

Burnette (Topeka, Kan., Cowley County JC) and Holmes (Tulsa, Okla., Redlands CC) will make the Gents guard play truly special alongside Hamilton. Burnette, who averaged 13 points and six assists in junior college, will be called upon to lead the team, push the fastbreak, and take charge as a defensive leader. Holmes, 12 points and six rebounds at Redlands, is a solid all-around player who can defend and knock down open shots.

Alexander Starr (Dallas, Tex., Paris JC) won a NJCAA National Championship before transferring to Centenary while averaging 12 points, six boards, and four assists per contest. He will anchor the guard/forward swing position for the Gents.

"Starr is a jack of all trades that is a proven winner. He knows how to play the game of basketball and he gets things done," commented Flaska.

Larry Logan (Kalamazoo, Mich., Owens CC) is one of the most talked about recruits to enter the Gold Dome in recent years. He looks to get the starting nod at the small forward spot after averaging a double-double of 24 points and 11 rebounds at Owens CC. He is an explosive athlete that is tough to guard in the open floor and is a natural rebounder.

Chris Watson (Edwards, Miss., SW Mississippi JC) is possibly the most talented athlete on the team according to Flaska. He can score on the block, step away, and is great in transition. He accounted for 16 points, eight rebounds, and three blocked shots per game while at SW Mississippi and willl serve as the strong forward for Centenary.

Other players that look to make an impact on the 2005-06 season include Bryan Baumann, E.J. Kusnyer, Ronnie Martin, and Jason Underwood.

Baumann (Allen, Tex., Allen HS) has caught the eye of the Gents coaching staff after a strong preseason. The freshman posted 16.5 points and three assists per game in high school.

"Bryan will be a great lift off the bench as a freshman," said Flaska. "He can flat-out shoot the ball and he plays extremely hard."

A junior transfer, Underwood (Mt. Clemens, Mich., St. Clair CC) provides the best size on the team at 6'9" and excels in low-block scoring and rebounding. Freshmen Kusnyer (Wexford, Penn., The Peddie School) and Martin (Temple, Tex., Temple HS) will come off the bench to provide help on the perimeter. Kusnyer brings a three-point threat into the line-up while Martin plays tough defense and solidifies the rebounding game.

Back Row L to R: Manager Travis Hill, Asst. Coach Joey Tolis, Asst. Coach Mike Smith, Chris Watson, Ian Maxwell, Jason Underwood, Larry Logan, Jeff Montague, Head Coach Rob Flaska, Asst. Coach Brandon Curran, Jason Stanley. Front Row L to R: Clarke Jackson, Tyrone Hamilton, Xavier Burnette, Bryan Baumann, Alexander Starr, E.J. Kusnyer, Eric Holmes, Ronnie Martin.

2004-05 Season

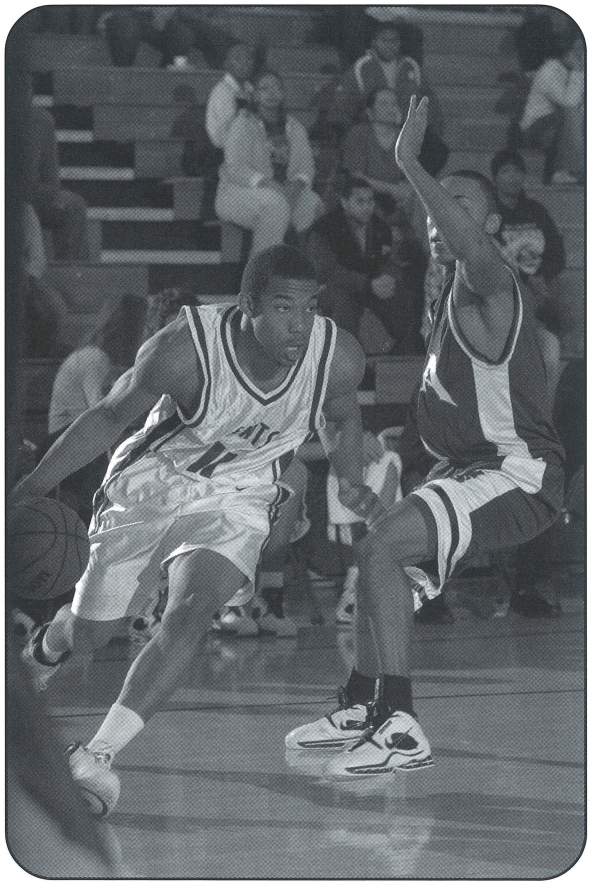
Tyrone enjoyed a successful debut season as he was named to the Mid-Continent Conference All-Newcomer Team after averaging 12.5 points and 3.9 assists per game. He led all Gents who attempted 30 or more three-pointers with a shooting percentage of 40.7% from downtown. He also led the team in three-pointers made (50) and assists (93). He started 16 games while appearing in 24 total before missing the final three games of the season due to injury. He finished his freshman campaign sixth in the Mid-Con in assists and three-pointers per game and three-point percentage. His best game came at home against Western Illinois. In that contest, Tyrone scored 29 points while hitting on 4-of-8 from the three-point line and 9-of-12 from the charity stripe. Overall, he was 8-of-17 from the field and added three assists and two rebounds to his totals.



High School

Tyrone was a standout prep player at Booker T. Washington High School in Shreveport. He was named first team All-State as well as All-District MVP, All-City MVP, and All-State MVP. He once scored 45 points for coach Toni Reliford's Lions in a single game and was selected as the team MVP.

Now in its 24th year as an NCAA Division I athletics conference, the Mid-Continent Conference is coming off a year in which its student-athletes, coaches, administrators and teams continued to strengthen its reputation as a nationally competitive and well-respected league. The Mid-Con's member schools - Centenary College of Louisiana, Chicago State University, IUPUI (Indiana University-Purdue University Indianapolis), UMKC (University of Missouri-Kansas City), Oakland University, Oral Roberts University, Southern Utah University, Valparaiso University and Western Illinois University - are located primarily in the Midwest's largest urban areas, and pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

The Mid-Con sponsors an all-time high of 19 championship sports, which includes: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's indoor track & field, men's and women's outdoor track & field, men's and women's tennis, and volleyball.

A brief review of the Mid-Con's highlights over the past two decades:

1982-83

The Association of Mid-Continent Universities is founded with "Frosty" Ferzacca as its first commissioner. The initial AMCU line-up includes Cleveland State, Eastern Illinois, Illinois-Chicago, Northern Iowa, SW Missouri State, Valparaiso, Western Illinois and Wisconsin-Green Bay.

1983-84

UW-Green Bay and Eastern Illinois each play in the NCAA Men's Soccer Tournament, making them the league's first NCAA Tourney teams in any sport.

1985-86

Cleveland State earns the AMCU's first national recognition in the NCAA Men's Basketball Tournament. The 14th-seeded Vikings upset No. 3 seed Indiana on their way to a "Sweet 16" appearance. In addition, SW Missouri State begins a string of five consecutive postseason appearances by reaching the quarterfinals of the NIT.

1987-88

The AMCU sends two teams to men's basketball postseason play for the third straight season. Ferzacca steps down as commissioner and is replaced by Jerry Ippoliti. Eastern Illinois' Jim Maton is the league's first NCAA National Champion, as he wins the 800 meter run at the NCAA Indoor Track Championship.

1989-90

The AMCU sends a conference-record three teams to postseason play in men's basketball, including Northern Iowa, which upsets former No. 1 Missouri in the first round of the NCAA Tournament. The AMCU changes its name to the now familiar Mid-Continent Conference.

1990-91

For the second straight season, the Mid-Con sends two teams - in this case, Northern Illinois and UW-Green Bay - to the NCAA Men's Basketball Tournament.

1991-92

The league announces that it will begin sponsoring women's athletics - strengthened by the membership of seven former North Star Conference members - the following year with the debut of six championship sports. UW-Green Bay's Tony Bennett establishes the league's all-time scoring record in men's basketball and wins his second straight Mid-Con Scholar-Athlete of the Year Award.

1992-93

UW-Milwaukee wins the first Mid-Con-sponsored women's championship when it takes home the cross country crown. Northern Illinois makes the first NCAA appearance by a Mid-Con women's team in the NCAA Women's Basketball Tournament. Wright State's Brian Anderson is the third overall pick in the Major League Baseball draft after repeating as the league's Pitcher of the Year.

1993-94

Northern Illinois' volleyball squad posts the league's first women's NCAA Tourney win with a three-game triumph over Illinois State. UW-Green Bay upsets California in the first round of the NCAA Men's Basketball Tourney. Six schools depart the Mid-Con at the conclusion of the season.

1994-95

The league's revamped line-up includes Buffalo, Central Connecticut State, Chicago State, UMKC, Northeastern Illinois and Troy State. Jon Steinbrecher begins a league-record nine-year tenure at the Mid-Con helm when he replaces Ippoliti as commissioner. Valparaiso begins a string of five straight regular-season titles and six consecutive Mid-Con Tournament titles in men's basketball.

1995-96

Charter member Eastern Illinois departs the Mid-Con, but not until after winning its ninth men's outdoor track and field title, a record for all Mid-Con sports that still stands.

1996-97

Buffalo (cross country) and Valparaiso (volleyball) earn the first-ever "three-peats" in Mid-Con women's athletics.

1997-98

Oral Roberts and Southern Utah join the Mid-Con. Oral Roberts begins a string of six straight Mid-Con volleyball titles, and wins its first-round match in the NCAA Tournament by edging Arizona in five games. The Mid-Con becomes one of few NCAA Division I conferences across the nation to simultaneously run its basketball championships at the same neutral site. Valparaiso reaches the NCAA "Sweet 16", thanks to the efforts of NBA draftee Bryce Drew, who hits "The Shot" which eventually earns him an ESPY from ESPN. Youngstown State earns the first Mid-Con

women's tourney win, topping fifth-seeded Memphis in the first round.

1998-99

IUPUI and Oakland begin competition in the Mid-Con. Western Illinois wins its eighth men's swimming and diving title. Associate member DePaul reaches the NCAA Softball College World Series, posting a third-place finish, and sets a Mid-Con single-season record with 54 wins.

1999-00

Southern Utah is the first Mid-Con school to win an NCAA Cross Country regional with a victory in the Mountain Region. The Thunderbirds went on to finish 21st in the NCAA Men's Cross Country Championship. Western Illinois softball reels off a 25-game win streak behind Mid-Con Pitcher of the Year Holly Killion, who sets Mid-Con records with 30 wins and 355 strikeouts.

2000-01

Oakland women's soccer player Anita Rapp - a two-time Mid-Con Player of the Year (1999, 2001) and a WUSA draftee - earns a Gold Medal while playing for her native Norway in the 2000 Olympic Games. The Mid-Con renames its Women's All Sports Award for retiring Western Illinois Director of Athletics Dr. Helen Smiley.

2001-02

Southern Utah sweeps the Mid-Con cross country championships for the fourth straight year, while UMKC captures the conference's first-ever NCAA Men's Soccer College Cup win, a 2-1 overtime triumph over former league member UW-Milwaukee. Oral Roberts' Krista Ragan sets the Mid-Con women's basketball career scoring record (2,105), and becomes the first player in league history to earn four first-team all-conference citations in the sport. Valparaiso posts the biggest turnaround in NCAA women's basketball (from 7-22 in 2000-01 to 26-7 in 2001-02) on its way to reaching the quarterfinals of the WNIT. UMKC's Matt Voelker earns outdoor track and field All-America honors in the high jump.

2002-03

The Mid-Con sets a league record by sending four teams combined - IUPUI (NCAA) and Valparaiso (NIT) on the men's side and Valparaiso (NCAA) and Western Illinois (WNIT) on the women's side - to basketball postseason play. Oral Roberts' Marsha Dawkins earns All-America honors in the 400 meter dash at both the NCAA Indoor and Outdoor Track and Field Championships. IUPUI women's basketball player Tiffany Kyser is Indiana's recipient of the NCAA "Woman of the Year" award (she is also a finalist for the national award). Steinbrecher resigns as commissioner and is replaced by Ron Bertovich.

2003-04

Centenary begins Mid-Con play, lifting the league's membership to nine. The Mid-Con sends two teams (UMKC, Oakland) to the NCAA Men's Soccer College Cup for the second time in league history, and Oakland's swimming & diving programs set league records for consecutive titles when they sweep the Mid-Con Championships for the fifth straight time. UMKC's Michael Watson finishes his career as the league's all-time leading scorer (2,488) in men's hoops, while Oral Roberts' Caleb Green and Ken Tutt are the nation's highest scoring freshman duo. Oral Roberts sets a league record with 50 wins and finishes the season ranked in all four of college baseball's polls. Southern Utah becomes the first Mid-Con school to sweep the men's and women's cross country and indoor and outdoor track & field crowns in the same year. Oral Roberts' Prince Mumba (800 meter) and Western Illinois' Aubrey Martin (shot put) earn All-America honors at the NCAA Outdoor Track and Field Championship; Mumba runs for his native Zambia in the 2004 Athens Olympics, while Valparaiso's Joaquim Gomes plays for the Angolan Olympic basketball team. The Mid-Con Men's All Sports Award is renamed for retiring Valparaiso Director of Athletics Dr. William Steinbrecher.

2004-05

Oral Roberts' Faithy Kamangila finished 11th at the NCAA Cross Country Championships to become the first woman in school history to garner All-American honors. Oakland claims the Mid-Con men's basketball Championship on a last-second three-pointer by Pierre Dukes to win the title as the seventh seed. In its first-ever NCAA Tournament appearance, the Golden Grizzlies notched a win over Alabama A&M in the opening round before falling to eventual National Champion North Carolina in the first round. For the second consecutive season, Oral Roberts' baseball team collected a pair of victories in the NCAA tourney. The Golden Eagles had five players selected in the Major League Baseball Draft, while Oakland's Paul Phillips was the top Mid-Con player chosen in the ninth round. Western Illinois softball coach Kathy Veroni retires after 34 seasons at the helm, while ORU's Mable Kunihira garnered All-American honors at the Outdoor Track & Field Championships with a fifth place finish in the 800-meter run.

"HOME OF THE GENTS"

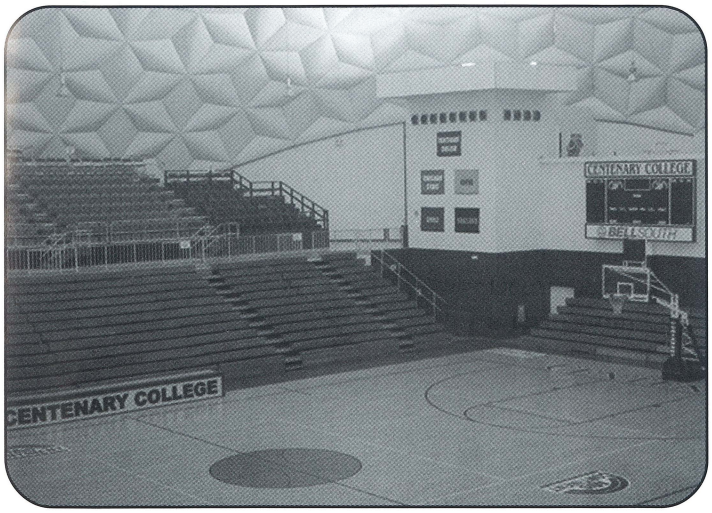
The geodesic Gold Dome, constructed in 1970, is a landmark located just south of the main Centenary College campus. Besides housing the Centenary Gents basketball team, the Gold Dome is also the home of the Centenary Ladies basketball and volleyball teams as well as the gymnastics team.

The multi-purpose facility, constructed at a cost of $1.3 million plus equipment, has a seating capacity of 3,000 with cushioned armchairs on the upper level and bleachers on both sides of the floor.

Unique features of the structure include indirect lighting and the attractive gold anodized aluminum dome. The completely air-conditioned facility also contains office space for the athletic department, the Donnie Wilhite Media Room, the C Club room, and seven large carpeted dressing rooms.

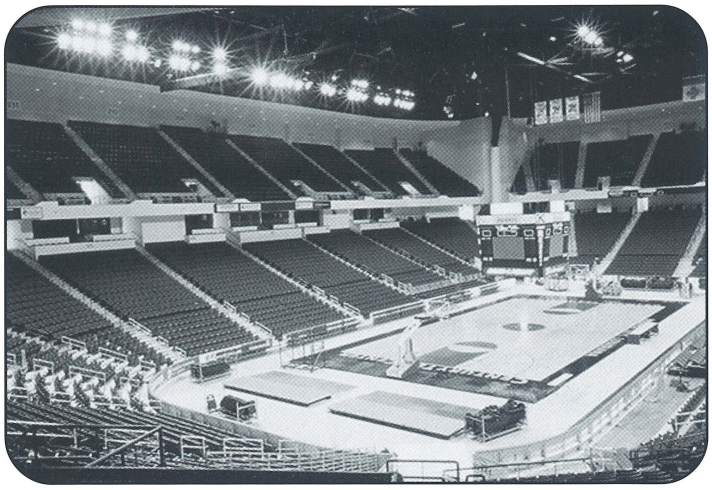
Like the building itself, the floor area is multi-purpose. A portable hardwood floor is used for basketball. With a Tartan-based surface underneath, the floor area can easily be converted into two crosscourt basketball courts, eight volleyball courts, or 16 badminton courts.

In the fall of 2002, the Wilhite Media Room was completed inside the Gold Dome. The room features stadium seating, a projector, and sophisticated computer software that allows teams to edit game footage in order to better scout and review opponents. The Wilhite Media Room is most commonly used as a meeting room for teams and staff as well as a working room for the media during events held in the Gold Dome. All press conferences are also held in the room.



The Gents were 56-11 inside the friendly confines of the Gold Dome from 1998 to 2004 which included a 20-game win streak.

The dome was designed by the Shreveport architectural firm of Somdal-Smitherman-Sorensen-Sherman and Associates. Whitaker Construction Company of Shreveport was the contractor and the Temcor Company of California erected the gold-colored dome.



The Gents hosted LSU in the CenturyTel Center in 2004 and will welcome Georgia Tech to the arena this season.

THE CENTURYTEL CENTER

Opened in October 2000 and located on the banks of the Red River in Bossier City, La., the CenturyTel Center is a 270,000 square foot multipurpose facility capable of hosting up to 14,000 patrons. The nationally recognized venue features world-class concerts, basketball games, family shows, ice skating shows, motor sports, rodeos, conventions, religious and community events, as well as other special events.

Since the beginning, the CenturyTel Center has been home to the Shreveport-Bossier community's Mudbugs hockey club of the Central Hockey League and the Bossier-Shreveport Battle Wings franchise of the Arena2 Football League.

Recently, the CenturyTel Center was the site for an NHL exhibition hockey game and an NBA exhibition game between the San Antonio Spurs and the New Orleans Hornets.

Centenary obtained the use of the arena for the first time in 2004 when the Gents hosted LSU. This season the Gents will welcome the Georgia Tech Yellow Jackets to the CenturyTel Center.

Chad Maclies

March 9, 1983 - May 3, 2005

On the evening of May 3, 2005, the Centenary community was jarred when it learned one of its beloved members had passed away unexpectedly. Chad Maclies was found in his dorm room deceased after suffering through a medical condition late that evening.

The following days and months were trying for the Maclies family and the Centenary faculty, staff, students, and friends of Chad. The basketball team and staff, as well as the athletic department and entire College would like to ask that those close to Chad remember him always, as we will. In his honor, Centenary College will be renovating its athletics academic support facility and naming it the Chad Maclies Memorial Academic Support Center.

Chad Maclies was from Kingwood, Texas, a senior with a double major in math and physics and a minor in computer science, and was a Dean's List student. He planned to become a computer analyst following graduation in December of 2005. A star basketball player and a second team All-Mid-Con performer, he was a leader of the Gents in many ways, including points and rebounds as a senior. He received the Athletic Achievement Award from the Centenary Athletic Department, the highest award given to a male student-athlete.

In many ways, both on and off the court, Chad was a leader with a big heart, a disarming smile, and a can-do spirit. He was a superb young man, a model student-athlete and an integral part of the Centenary family. He will be greatly missed on our campus.

Chad was a star in many ways and in his honor we would like to list his accomplishments as a member of the Gents basketball team.
